Headteacher, Marc Belli added, “This is fantastic news for our school community, with record-breaking A level results for the second year in a row. I am delighted for all of our students who have achieved such wonderful outcomes for themselves and their families. However, it is easy to focus on those students who achieved the top grades today (with around 50% of students leaving to join a Russell Group university), we are particularly pleased that most of our students have gained a place at their preferred university destination. This ensures that we, as a school, have helped each child progress to the next stage in their lives. I should also like to congratulate our staff who have worked tirelessly to support the students throughout their time in the sixth form. Today’s results are a testament to their dedication and commitment. I offer my thanks to all those who have worked so hard to secure the best results in our school’s history and wish all our departing students great success in the future”.
