Headteacher, Marc Belli added, "We are very proud of the achievements of all our students today. It is very rewarding to see students meet and exceed their personal targets to achieve results which will remain with them forever. The results achieved by students today and the stunning A level results last week finish off a very successful year for the school, following our positive inspection visit in the spring. As ever, I also wish to reaffirm my sincere gratitude and heartfelt praise to the amazing teaching and support staff at school who have helped our students achieve such wonderful outcomes. They deserve a great deal of credit for the continued success at the school and have worked tirelessly to support the students to achieve so well".
