16th January 2018

Dear Parent(s)/Carer(s),

Re: GCSE Mathematics/Numeracy and Next Steps

As you will now be aware, following last week’s examination results, unfortunately your child has not yet achieved their C grade (or above) in GCSE Mathematics/Numeracy and/or English Language. We understand they will be disappointed by this but be assured that we will continue to work tirelessly with them to help secure their desired/target grades.

I should like to invite you to a parents’ meeting on 29th January 2018 at 7pm where we will outline ways in which we can collectively help your child to achieve their full potential for the remainder of the year. From our experience over the past four years, this event has been really helpful in supporting our students at this crucial time. Students do not need to attend this meeting. However, your attendance would be greatly appreciated.

Thank you for your ongoing support.

Yours sincerely,

Miss Parry
Deputy Head
