18th November 2020

Dear Parents(s)/Carer(s),

**Re: Sixth Form Virtual Open Evening**

We invite you to join us at our Sixth Form Open Evening on **Thursday 19th November 2020**.

This year our Sixth Form Open Evening will be a virtual event. From Thursday evening you will be able to access a full range of presentations, providing information about life in the sixth form, as well as subject specific course details for each of the key stage 5 subjects on offer. To access these presentations, please visit the sixth form section of the school website, [https://www.bishopofllandaff.org/206/welcome](https://www.bishopofllandaff.org/206/welcome).

This is a very exciting time to be a part of the sixth form community at the school. We are expanding in terms of the numbers of students choosing the school to further their education with us, and also the curriculum which they are able to follow; allowing students to pursue of a wide range of pathways. In addition to this, we also offer students a broad programme of weekly timetabled enrichment activities such as first aid training, making provision for students to develop skills away from their daily academic studies.

As a school we share the common goal of ensuring that every student receives the very best deal possible in terms of the education they receive and the opportunities available to them. This was reflected once again this year with students achieving another fantastic set of A level results. Nearly half of all results were graded at A*-A, with 85% of students attaining at least 3 A*-C grades. These achievements saw 96% of students gaining a place at their chosen university, with all other students progressing to either an apprenticeship, employment or gaining experience during a planned gap year.

We hope that you will find our virtual Sixth Form Open Evening informative. However, if you would like to discuss how we would support your child with the next steps in their educational journey in more detail, please do not hesitate to contact the school via the links shared within our virtual presentation, or email me directly, gardiners@bishopofllandaff.org.

Yours sincerely,

Mr Gardiner
Assistant Head/Head of Sixth Form
